**THIS DOCUMENT RELATES TO ALL CASES**

**PRETRIAL ORDER #1**  
**Setting Initial Conference**

It appearing that civil actions listed on Schedule A, attached hereto, which were transferred to this Court by order of the Judicial Panel on Multi District Litigation pursuant to its order of February 16, 2005, merit special attention as complex litigation, it is, therefore, ORDERED that:

1. APPLICABILITY OF ORDER---Prior to the initial pretrial conference and entry of a comprehensive order governing all further proceedings in this case, the provisions of this Order shall govern the practice and procedure in those actions that were transferred to this Court by the Judicial Panel on Multi District Litigation pursuant to its order of February 16, 2005 listed on Schedule A. This Order also applies to all related cases filed in all sections of the Eastern District of Louisiana and will also apply to any "tag-along actions" later filed in, removed to, or

transferred to this Court.

2. CONSOLIDATION---The civil actions listed on Schedule A are consolidated for pretrial purposes. Any “tag-along actions” later filed in, removed to or transferred to this Court, or directly filed in the Eastern District of Louisiana, will automatically be consolidated with this action without the necessity of future motions or orders. This consolidation, however, does not constitute a determination that the actions should be consolidated for trial, nor does it have the effect of making any entity a party to any action in which he, she or it has not been named, served or added in accordance with the Federal Rules of Civil Procedure.

3. DATE OF INITIAL CONFERENCE AND AGENDA FOR CONFERENCE---Matters relating to pretrial and discovery proceedings in these cases will be addressed at an initial pretrial conference to be held on Friday, March 18, 2005 at 9:00 a.m. in Judge Eldon E. Fallon's courtroom, Room 468, United States Courthouse, 500 Poydras Street, New Orleans, Louisiana. Counsel are expected to familiarize themselves with the *Manual for Complex Litigation, Fourth* (“MCL 4th”) and be prepared at the conference to suggest procedures that will facilitate the expeditious, economical, and just resolution of this litigation. The items listed in MCL 4th Sections 22.6, 22.61, 22.62, and 22.63 shall, to the extent applicable, constitute a tentative agenda for the conference. Counsel shall confer and seek consensus to the extent possible with respect to the items on the agenda, including a proposed discovery plan, amendment of pleadings, and consideration of any class action allegations and motions. If the parties have any suggestions as to any case management orders or additional agenda items, these shall be faxed to (504) 589-6966 or otherwise submitted to the Court by March 11, 2005.

4. POSITION STATEMENT---Plaintiffs and defendants shall submit to the Court by March 11, 2005 a brief written statement indicating their preliminary understanding of the facts involved in the litigation and the critical factual and legal issues. These statements will not be filed with the Clerk, will not be binding, will not waive claims or defenses, and may not be offered in evidence against a party in later proceedings. The parties' statements shall list all pending motions, as well as all related cases pending in state or federal court, together with their current status, including any discovery taken to date, to the extent known. The parties shall be limited to one such submission for all plaintiffs and one such submission for all defendants.

5. APPEARANCE---Each party represented by counsel shall appear at the initial pretrial conference through their attorney who will have primary responsibility for the party's interest in this litigation. Parties not represented by counsel may appear in person or through an authorized and responsible agent. To minimize costs and facilitate a manageable conference, parties with similar interests may agree, to the extent practicable, to have an attending attorney represent their interest at the conference. A party will not by designating an attorney to represent its interest at the conference be precluded from other representation during the litigation, nor will attendance at the conference waive objections to jurisdiction, venue or service.

6. SERVICE---Prior to the initial pretrial conference, service of all papers shall be made on each of the attorneys on the Panel Attorney Service List attached hereto and designated as Schedule B. Any attorney who wishes to have his/her name added to or deleted from such Panel Attorney Service List may do so upon request to the Clerk and notice to all other persons on such service list. The parties shall present to the Court at the initial conference a list of attorneys and their office addresses and E-mail addresses.

7. EXTENSION AND STAY---The defendant is granted an extension of time for responding by motion or answer to the complaint(s) until a date to be set by this Court. Pending the initial conference and further orders of this Court, all outstanding discovery proceedings are stayed, and no further discovery shall be initiated. Moreover, all pending motions must be renoticed for resolution on a motion day or days after the Court's initial conference herein.

8. MASTER DOCKET FILE---The Clerk of Court will maintain a master docket case file under the style "In Re: VIOXX Products Liability Litigation" and the identification "MDL No. 1657 ". When a pleading is intended to be applicable to all actions, this shall be indicated by the words: "This Document Relates to All Cases." When a pleading is intended to apply to less than all cases, this Court's docket number for each individual case to which the document number relates shall appear immediately after the words "This Document Relates to".

The following is a sample of the pleading style:

In Re: VIOXX  
Products Liability Litigation

MDL No. 1657

SECTION: L

This Document Relates to:

Judge Fallon  
Mag. Judge Knowles

9. FILING---Until electronic filing is instituted in the Eastern District of Louisiana, a signed original of any pleading or paper together with the number of copies set forth in the Local Rules is all that need be filed. The Clerk of Court is directed to make all entries on the master docket sheet with a notation listing the cases to which the document applies, except that a document closing a case will also be entered on the individual docket sheet. All documents shall be filed in the master file.

10. DOCKETING---When an action that properly belongs as a part of In Re: VIOXX Products Liability Litigation is hereinafter filed in the Eastern District of Louisiana or transferred here from another court, the Clerk of this Court shall:

- a. File a copy of this Order in the separate file for such action;
- b. Make an appropriate entry on the master docket sheet;
- c. Mail to the attorneys for the plaintiff in the newly filed or transferred case a copy of this Order;
- d. Upon the first appearance of any new defendant, mail to the attorneys for the defendant in such newly filed or transferred cases a copy of this Order.

11. APPEARANCES---Counsel who appeared in a transferor court prior to transfer need not enter an additional appearance before this Court. Moreover, attorneys admitted to practice and in good standing in any United States District Court are admitted *pro hac vice* in this litigation, and the requirements of Local Rules 83.2.6E and 83.2.7 are waived. Association of local counsel is not required.

12. REMAND STIPULATIONS---In the event that a case is remanded, the parties shall furnish to the Clerk of Court a stipulation or designation of the contents of the record and furnish all necessary copies of any pleadings filed so as to enable the transferee clerk to comply with the order of remand.

13. PRESERVATION OF EVIDENCE---All parties and their counsel are reminded of their duty to preserve evidence that may be relevant to this action. The duty extends to documents, data, and tangible things in possession, custody and control of the parties to this action, and any employees, agents, contractors, carriers, bailees, or other nonparties who possess

materials reasonably anticipated to be subject to discovery in this action. "Documents, data, and tangible things" is to be interpreted broadly to include writings, records, files, correspondence, reports, memoranda, calendars, diaries, minutes, electronic messages, voice mail, E-mail, telephone message records or logs, computer and network activity logs, hard drives, backup data, removable computer storage media such as tapes, discs and cards, printouts, document image files, Web pages, databases, spreadsheets, software, books, ledgers, journals, orders, invoices, bills, vouchers, checks statements, worksheets, summaries, compilations, computations, charts, diagrams, graphic presentations, drawings, films, charts, digital or chemical process photographs, video, phonographic, tape or digital recordings or transcripts thereof, drafts, jottings and notes, studies or drafts of studies or other similar such material. Information that serves to identify, locate, or link such material, such as file inventories, file folders, indices, and metadata, is also included in this definition. Until the parties reach an agreement on a preservation plan or the Court orders otherwise, each party shall take reasonable steps to preserve all documents, data and tangible things containing information potentially relevant to the subject matter of this litigation. Counsel is under an obligation to the Court to exercise all reasonable efforts to identify and notify parties and nonparties, including employees of corporate or institutional parties.

14. FILING OF DISCOVERY REQUESTS---In accordance with Rule 5(d) of the Federal Rules of Civil Procedure, discovery requests and responses are not to be filed with the Clerk nor sent to the Judge's Chambers, except when specifically ordered by the Court to the extent needed in connection with a motion.

15. LIAISON COUNSEL---Prior to the initial conference, counsel for the plaintiffs and counsel for the defendant shall, to the extent they have not already done so, confer and seek consensus on the selection of a candidate for the position of liaison counsel for each group who will be charged with essentially administrative matters. For example, liaison counsel shall be authorized to receive orders and notices from the Court on behalf of all parties within their liaison group and shall be responsible for the preparation and transmittal of copies of such orders and notices to the parties in their liaison group and perform other tasks determined by the Court. Liaison counsel shall be required to maintain complete files with copies of all documents served upon them and shall make such files available to parties within their liaison group upon request. Liaison counsel are also authorized to receive orders and notices from the Judicial Panel on Multi District Litigation pursuant to Rule 5.2(e) of the Panel's *Rules of Procedure* or from the transferee court on behalf of all parties within their liaison group and shall be responsible for the preparation and transmittal of copies of such orders and notices to the parties in their liaison group. The expenses incurred in performing the services of liaison counsel shall be shared equally by all members of the liaison group in a manner agreeable to the parties or set by the Court failing such agreement. Appointment of liaison counsel shall be subject to the approval of the Court. At the first conference liaison counsel and/or the parties should be prepared to discuss any additional needs for an organizational structure or any additional matters consistent with the efficient handling of this matter.

16. PLAINTIFFS' STEERING COMMITTEE---It is the Court's intent to appoint a Plaintiffs' Steering Committee ("PSC") to conduct and coordinate the discovery stage of this litigation with the defendant's representatives or committee. Applications/nominations for the

PSC positions must be filed as an original and one copy with the Eastern District of Louisiana's Clerk's Office on or before Monday, March 28, 2005. A copy must also be served upon counsel named in the attached list on the day of filing. The main criteria for membership in the PSC will be: (a) willingness and availability to commit to a time-consuming project; (b) ability to work cooperatively with others; and (c) professional experience in this type of litigation.

Applications/nominations should succinctly address each of the above criteria as well as any other relevant matters. No submissions longer than three (3) pages will be considered. The Court will only consider attorneys who have filed a civil action in this litigation.

Objections may be made to the appointment of a proposed applicant/nominee.

Nevertheless, the Court will entertain only written objections to any application/nomination.

These must be filed with the Clerk in an original and one copy on or before April 4, 2005. The objections, if there be any, must be short, yet thorough, and must be supported by necessary documentation. As with the application/nomination, any objection must be served on all counsel appearing on the attached list on the day of filing.

The PSC will have the following responsibilities:

Discovery

- (1) Initiate, coordinate, and conduct all pretrial discovery on behalf of plaintiffs in all actions which are consolidated with the instant multi district litigation.
- (2) Develop and propose to the Court schedules for the commencement, execution, and completion of all discovery on behalf of all plaintiffs.
- (3) Cause to be issued in the name of all plaintiffs the necessary discovery requests, motions, and subpoenas pertaining to any witnesses and

documents needed to properly prepare for the pretrial of relevant issues found in the pleadings of this litigation. Similar requests, notices, and subpoenas may be caused to be issued by the PSC upon written request by an individual attorney in order to assist him/her in the preparation of the pretrial stages of his/her client's particular claims.

- (4) Conduct all discovery in a coordinated and consolidated manner on behalf and for the benefit of all plaintiffs. No attorney for a plaintiff may be excluded from attending the examination of witnesses and other proceedings. Such attorney may suggest questions to be posed to deponents through the designated PSC members provided that such questions are not repetitious.

#### Hearings and Meetings

- (1) Call meetings of counsel for plaintiffs for any appropriate purpose, including coordinating responses to questions of other parties or of the Court. Initiate proposals, suggestions, schedules, or joint briefs, and any other appropriate matter(s) pertaining to pretrial proceedings.
- (2) Examine witnesses and introduce evidence at hearings on behalf of plaintiffs.
- (3) Act as spokesperson for all plaintiffs at pretrial proceedings and in response to any inquiries by the Court, subject of course to the right of any plaintiff's counsel to present non-repetitive individual or different positions.

Miscellaneous

- (1) Submit and argue any verbal or written motions presented to the Court or Magistrate on behalf of the PSC as well as oppose when necessary any motions submitted by the defendant or other parties which involve matters within the sphere of the responsibilities of the PSC.
- (2) Negotiate and enter into stipulations with Defendants regarding this litigation. All stipulations entered into by the PSC, except for strictly administrative details such as scheduling, must be submitted for Court approval and will not be binding until the Court has ratified the stipulation. Any attorney not in agreement with a non-administrative stipulation shall file with the Court a written objection thereto within ten (10) days after he/she knows or should have reasonably become aware of the stipulation. Failure to object within the term allowed shall be deemed a waiver and the stipulation will automatically be binding on that party.
- (3) Explore, develop, and pursue all settlement options pertaining to any claim or portion thereof of any case filed in this litigation.
- (4) Maintain adequate files of all pretrial matters and have them available, under reasonable terms and conditions, for examination by Plaintiffs or their attorneys.
- (5) Prepare periodic status reports summarizing the PSC's work and progress. These reports shall be submitted to the Plaintiffs' Liaison Counsel who will promptly distribute copies to the other plaintiffs' attorneys.

- (6) Perform any task necessary and proper for the PSC to accomplish its responsibilities as defined by the Court's orders.
- (7) Perform such other functions as may be expressly authorized by further orders of this Court.
- (8) Reimbursement for costs and/or fees for services will be set at a time and in a manner established by the Court after due notice to all counsel and after a hearing.

17. COMMUNICATION WITH THE COURT---Unless otherwise ordered by this Court, all substantive communications with the Court shall be in writing, with copies to opposing counsel. Nevertheless, the Court recognizes that cooperation by and among plaintiffs' counsel and by and among defendant's counsel is essential for the orderly and expeditious resolution of this litigation. The communication of information among and between plaintiffs' counsel and among and between defendant's counsel shall not be deemed a waiver of the attorney-client privilege or the protection afforded attorney's work product, and cooperative efforts contemplated above shall in no way be used against any plaintiff by any defendant or against any defendant by any plaintiff. Nothing contained in this provision shall be construed to limit the rights of any party or counsel to assert the attorney-client privilege or attorney work product doctrine.

DOCKET NO. 1657

**BEFORE THE JUDICIAL PANEL ON MULTIDISTRICT LITIGATION**

**IN RE VIOXX PRODUCTS LIABILITY LITIGATION**

**BEFORE WM. TERRELL HODGES, CHAIRMAN, JOHN F. KEENAN, D. LOWELL JENSEN, J. FREDERICK MOTZ,\* ROBERT L. MILLER, JR., KATHRYN H. VRATIL AND DAVID R. HANSEN, JUDGES OF THE PANEL**

**TRANSFER ORDER**

This litigation presently consists of 148 actions pending in 41 federal districts and listed on the attached Schedule A. Before the Panel are two motions, pursuant to 28 U.S.C. § 1407, that taken together seek centralization for coordinated or consolidated pretrial proceedings of all but one of these actions.<sup>1</sup> Plaintiff in one Eastern Louisiana action seeks centralization of this litigation in the Eastern or Western Districts of Louisiana. Defendant Merck & Co., Inc. (Merck) moves for centralization of this litigation in either the District of Maryland, the Southern District of Indiana, or the Northern District of Illinois. Merck also agrees with some plaintiffs that the District of New Jersey would be an appropriate transferee district. AmerisourceBergen Corp., a wholesaler defendant, supports centralization in the Maryland district. Most responding plaintiffs agree that centralization is appropriate, although some plaintiffs suggest alternative transferee districts, including the Northern District of Alabama, the Central or Northern Districts of California, the District of Delaware, the Southern District of Illinois, the District of Minnesota, the Eastern District of Missouri, the District of New Jersey, the Eastern or Southern Districts of New York, the Northern or Southern Districts of Ohio, the Western District of Oklahoma, the Eastern District of Pennsylvania, and the Southern or Western Districts of Texas.

\* Judge Motz took no part in the decision of this matter.

<sup>1</sup>Included in the Section 1407 motions were eleven additional actions pending in the Central District of California (2), the Southern District of California (1), the Southern District of Illinois (2), the Southern District of Indiana (1), the Western District of Missouri (1), the Southern District of New York (1), the Northern District of Texas (1), and the Southern District of Texas (2). These actions have been either remanded to their respective state courts, voluntarily dismissed, or otherwise closed. Accordingly, inclusion of the actions in Section 1407 proceedings is moot.

One other action – *Teamsters Local 237 Welfare Fund, et al. v. Merck & Co., Inc.*, S.D. New York, C.A. No. 1:04-9248 – was not included on either MDL-1657 motion and is now included in this transfer order. All parties to this action had notice of the proceedings before the Panel relating to Section 1407 centralization and had an opportunity to participate in those proceedings by stating their respective positions in writing and during the Panel's hearing session.

The Panel has been notified of nearly 300 potentially related actions pending in multiple federal districts. In light of the Panel's disposition of this docket, these actions will be treated as potential tag-along actions. See Rules 7.4 and 7.5, R.P.J.P.M.L., 199 F.R.D. 425, 435-36 (2001).

- 2 -

The three arguments in opposition to Section 1407 centralization can be summarized as follows: plaintiffs in two actions oppose inclusion of their actions in MDL-1657 proceedings because motions to remand their actions to state court are pending; plaintiffs in two Texas actions along with plaintiffs in one third-party payor action pending in the Southern District of New York oppose these actions' inclusion in MDL-1657, arguing that individual questions of fact in their actions predominate over any common questions of fact and/or that discovery is already underway in these actions; and plaintiffs in one action pending in the Eastern District of New York oppose inclusion of their action in 1407 proceedings, since it involves additional claims relating to a different prescription medication not involved in other MDL-1657 actions.

On the basis of the papers filed and hearing session held, the Panel finds that the actions in this litigation involve common questions of fact, and that centralization under Section 1407 in the Eastern District of Louisiana will serve the convenience of the parties and witnesses and promote the just and efficient conduct of the litigation. All actions focus on alleged increased health risks (including heart attack and/or stroke) when taking Vioxx, an anti-inflammatory drug, and whether Merck knew of these increased risks and failed to disclose them to the medical community and consumers. Centralization under Section 1407 is necessary in order to eliminate duplicative discovery, avoid inconsistent pretrial rulings, and conserve the resources of the parties, their counsel and the judiciary.

The pendency of a motion to remand to state court is not a sufficient basis to avoid inclusion in Section 1407 proceedings. We note that motions to remand in two actions, one action each in the District of Kansas and the Eastern District of Missouri, as well as in any other MDL-1657 actions can be presented to and decided by the transferee judge. *See, e.g., In re Ivy*, 901 F.2d 7 (2d Cir. 1990); *In re Prudential Insurance Company of America Sales Practices Litigation*, 170 F.Supp.2d 1346, 1347-48 (J.P.M.L. 2001).

Nor are we persuaded by the arguments of some opposing Texas plaintiffs and the New York third-party payor plaintiffs. We point out that transfer under Section 1407 has the salutary effect of placing all actions in this docket before a single judge who can formulate a pretrial program that: 1) allows discovery with respect to any non-common issues to proceed concurrently with discovery on common issues, *In re Joseph F. Smith Patent Litigation*, 407 F.Supp. 1403, 1404 (J.P.M.L. 1976); and 2) ensures that pretrial proceedings will be conducted in a manner leading to the just and expeditious resolution of all actions to the overall benefit of the parties. We note that the MDL-1657 transferee court can employ any number of pretrial techniques – such as establishing separate discovery and/or motion tracks – to efficiently manage this litigation. In any event, we leave the extent and manner of coordination or consolidation of these actions to the discretion of the transferee court. *In re Mutual Funds Investment Litigation*, 310 F.Supp.2d 1359 (J.P.M.L. 2004). It may be, on further refinement of the issues and close scrutiny by the transferee judge, that some claims or actions can be remanded to their transferor districts for trial in advance of the other actions in the transferee district. But we are unwilling, on the basis of the record before us, to make such a determination at this time. Should the transferee judge deem remand of any claims or actions appropriate, procedures are available whereby this may be accomplished with a minimum of delay. *See Rule 7.6*, 199 F.R.D. at 436-38. We are confident in the transferee judge's ability to streamline pretrial proceedings in these actions, while concomitantly directing the appropriate resolution of all claims.

- 3 -

The Panel is persuaded, however, that claims involving a prescription drug other than Vioxx in one Eastern District of New York action do not share sufficient questions of fact with claims relating to Vioxx to warrant inclusion of these non-Vioxx claims in MDL-1657 proceedings.

Given the geographic dispersal of constituent actions and potential tag-along actions, no district stands out as the geographic focal point for this nationwide docket. Thus we have searched for a transferee judge with the time and experience to steer this complex litigation on a prudent course. By centralizing this litigation in the Eastern District of Louisiana before Judge Eldon E. Fallon, we are assigning this litigation to a jurist experienced in complex multidistrict products liability litigation and sitting in a district with the capacity to handle this litigation.

IT IS THEREFORE ORDERED that, pursuant to 28 U.S.C. § 1407, the actions listed on the attached Schedule A and pending outside the Eastern District of Louisiana are transferred to the Eastern District of Louisiana and, with the consent of that court, assigned to the Honorable Eldon E. Fallon for coordinated or consolidated pretrial proceedings with the actions pending there and listed on Schedule A.

IT IS FURTHER ORDERED that claims in *Dominick Cain, et al. v. Merck & Co., Inc., et al.*, E.D. New York, C.A. No. 1:01-3441, against Pharmacia Corp., Pfizer Inc., and G.D. Searle & Co. relating to a prescription medication other than Vioxx are simultaneously separated and remanded to the Eastern District of New York.
